

ULTRA STONE CLEANER – TDS

Product Name:

Ultra Stone cleaner

Product description:

Ultra stone cleaner is highly effective cleaner designed for everyday maintenance of marbles, granite and all natural stones. Ideally suitable as a general purpose cleaner. It is very much safe and less reactive (compared to other cleaners based on hydrochloric acid) especially on marble surfaces.

Advantages:

- Daily use
- General purpose cleaner
- Effective against limescales
- Mild enough to use on stone/porous tiles

Area of usage:

- All interior and exterior surfaces
- Marble, granite and all natural stones.
- Wall and Floor area

Recommended surfaces:

- Glazed Floor Tile
- Unglazed Floor Tile
- Quarry
- Marble
- Stone
- Slate
- Terrazzo
- Terracotta
- Brick

Instructions for use:

1. Always test on a small area for the suitability of this cleaner on different background surfaces.
2. Liberally apply the Ultra Stone Cleaner to the area to be cleaned. Using a stiff bristled brush or a scouring pad, thoroughly scrub the area treated with the Ultra Stone Cleaner.
3. Mop up the Ultra Stone Cleaner and rinse well with water until all traces of the solution have been removed.
4. For daily maintenance of the all natural Stone Cleaner can be diluted up to 10 times. Dilution may be increased or decreased as per nature of stone or substrate.
5. Soiled areas may require subsequent applications of Ultra Stone Cleaner.
6. Do not use on new areas until the adhesive and grout are fully cured.
7. Clean any spillages by washing thoroughly with water.

Limitation:

- Not effective against stubborn dirt and stain
- Not effective against acrylic, solvent stains

VOC Content 1.1 g/L**Pack Size:**
